

The Role of Clinical Performance Centers: Use of Standardized Patients for Teaching and Assessment

Ara Tekian, Ph.D., MHPE

Associate Professor of Medical Education

Director, International Affairs

Department of Medical Education

University of Illinois at Chicago

During the past two decades, the number of Clinical Performance Centers has increased exponentially. This presentation will highlight the role and importance of such Centers, and ways of establishing and utilizing such centers to meet the needs of institutions. Short video clips will demonstrate how such Centers are used for both teaching as well as assessment.
